Trusted by more than
80
of the Fortune 100

119+ trillion
monthly cloud transactions*

250+
intelligent data services

Trusted data expertise. The most advanced AI. Powerful across any cloud.

The Intelligent Data Management Cloud™ (IDMC) is the new standard in AI-powered data management. It's a comprehensive data management platform that transforms vast and complex enterprise data into actionable business value. To meet the evolving demands of modern AI initiatives and business intelligence, IDMC simplifies data access, automates labor-intensive tasks, and ensures enterprise-level scalability, security, and compliance — all while delivering measurable return on data investments and flexible, consumption-based pricing.

Informatica. Where data & AI come to LIFE.
